Panel 1: The Brave Entrance

Tara the cute anthropomorphic fox with bright orange-red fur, cream muzzle, big expressive eyes, small triangular ears, and a fluffy tail stands at the edge of the spooky enchanted forest, looking overly dramatic with a tiny hiking stick.

Panel 3: The Unexpected Sneeze

Floating magical spores drift into Tara's nose, causing her to make a hilarious, exaggerated sneezing face while her tail fluffs up like a bottle brush.

Panel 4: The Curious Glare

Wiping her nose, Tara squints suspiciously at a bush that is glowing unusually bright and wiggling on its own.
